

Are you the best? Now's the time to show it!!!!

Just back from the President's committee meeting and am able to tell you that the new award badge has been deemed a brilliant success and is now widely available and can be purchased for your own club founder members.

The brand new Club 'Roll of Honour' inserts are now being ordered and will be available very soon.

Order yours now and be the first to show off the talent in your club!!

Contact Archie Anderson.

or by telephone: **0141 887 3705**

or through: **www.the-asc.org.uk**

It's time to generate pride, competition and purpose into our achievements.

You've worked hard for them so now is the time to shout it out.

Founder's badges

Members have been buying badges for the people who were instrumental in creating new clubs and we have had excellent feedback from this. It's a fantastic way of recognising the effort of others to the benefit of current speakers. If it wasn't for them there would be no club.

Roll of honour

Time to celebrate your club and the members in it. This frame insert has space for your special/talented/inspirational members past and present and loads of room for the future ones!!!! You buy the frames you want (we bought ours from Ikea) then bring it to National conference where it will take pride of place on our 'Super clubs' table. You then can see how well you're doing within the National Organisation.

Here's what each component is called to help you order the right piece.

The Frame – the thing that everything is inserted into, it's a single or double A4 sized oblong frame with glass in it and can be hung on the wall or propped on your sideboard.

The Mount or Insert – the gold cardboard A4 sheet with the holes in it to separate the information so it is displayed into boxes,

The Roll of Honour – the sheet of A4 paper containing the names of the good and great in the Club,

The Template – the MS Word file with the correctly spaced text boxes in it for Clubs to fill in to create their Roll of Honour.

So are you the best? Now you can prove it!!!!
